Now Find Your Place on the Chart

Mark your PERSONAL score on the lower left scale; your ECONOMIC score on the lower right. Then follow the grid lines until they meet at your political position.

The chart shows the political group that agrees with you most. Liberals tend to value personal freedom. Conservatives tend to value economic freedom. Libertarians value both. Statists are against both.

The Washington Post says: "Has gained respect as a valid measure of a person's political leanings."
