

THERE'S MORE TO COLOR THAN BLACK AND WHITE. THERE'S MORE TO POLITICS THAN LEFT AND RIGHT.

A rainbow is far more than just two colors — and politics is far more than just left and right. That's why millions of Americans say the labels "liberal" or "conservative" don't accurately describe their political identity.

No wonder. A simple line from "left" to "right" just isn't inclusive enough to contain every shade and hue of political belief.

That's where the World's Smallest Political Quiz comes in. It's a better "map" of politics. Answer 10 questions about personal and economic issues, and the Quiz pinpoints your political identity on its innovative "Diamond Chart" that includes conservative, liberal, libertarian, statist, and centrist.
